

Unleash Your Creativity at CreateTech Phoenix

Discover a hybrid learning center that empowers students to explore their passions and develop future-ready skills.

Welcome to CreateTech Phoenix

CreateTech Phoenix is a hybrid learning center that serves the Phoenix metropolitan area. It is designed for students who thrive in creative, technology-rich environments.

Our Unique Approach

Hybrid Instructional Model

Flexible scheduling that blends online and in-person learning

Project-Based Learning

Infusing creativity and technology into engaging, hands-on projects

Career Pathways

Offering specialized tracks in AI, film, media, coding, robotics, and digital design

At CreateTech Phoenix, we empower students to explore their passions and develop future-ready skills through our unique hybrid learning approach.

Personalized Learning Experience

Tailored to Your Child's Needs

At CreateTech Phoenix, we design the learning experience around each student's unique strengths, interests, and goals, ensuring they thrive.

Small Supportive Cohorts

Students learn in small groups, fostering close relationships with instructors and peers, and receiving individualized attention and support.

Dedicated Academic Advisors

Every student is paired with a personal academic advisor who guides their progress, provides mentorship, and helps them reach their full potential.

Flexible Pacing and Schedules

Our hybrid model allows students to learn at their own pace, with flexible schedules that accommodate their individual needs and commitments.

Accredited Curriculum and CTE Pathways

- **Accredited Academic Curriculum**

Aligned with Arizona state requirements, ensuring a robust and comprehensive education.

- **STEM Foundations**

Providing a strong grounding in science, technology, engineering, and mathematics.

- **AI Literacy**

Equipping students with an understanding of artificial intelligence and its applications.

- **Film Production and Editing**

Empowering students to develop their skills in digital storytelling and visual media.

- **Coding and Robotics**

Offering hands-on opportunities to explore programming, robotics, and digital design.

- **Digital Arts**

Enabling students to express their creativity through various digital mediums.

Our Supportive Environment

Daily Instructor Access

Personalized Tutoring

**Hands-on Creative
Labs**

Collaborative Projects

Flexible Learning Options

Flexible Learning Model

CreateTech Phoenix's hybrid learning approach blends online coursework with in-person support, allowing for personalized schedules and pacing to meet each student's needs.

Balanced Blend of Online and In-Person

Students at CreateTech Phoenix have the flexibility to complete a portion of their studies online, while also benefiting from daily access to instructors, tutors, and advisors for hands-on support.

Personalized Schedules and Pacing

The hybrid model enables students to customize their learning experience, choosing the schedule and pace that works best for their individual strengths, interests, and goals.
